

Building Hope

Community Breakfast

*Thursday, October 26th at 9:00AM
at the Levine Senior Center*

Quality housing - housing that is safe, healthy, and affordable - is foundational to individuals and families, to the communities in which we live and to the economies in which we all participate.

Yet the need for decent, affordable housing has never been greater. Over 1 in 5 Matthews households are either living in poverty, near poverty, or considered "house poor".

Driven by the vision that everyone needs a decent place to live, Greater Matthews Habitat has partnered with families for over 30 years to build and improve places they can call home.

The Event

You can be a part of helping to build our vision by joining us on Thursday, October 26th at 9:00 AM for our Building Hope Community Breakfast at the Levine Senior Center.

It will be a time to reflect on the current housing needs while also celebrating some of the people and businesses who have been instrumental in building our community and changing the trajectory of the lives of the families we've served.

There is no cost to attend the event, but RSVP's are requested.

Become an Event Sponsor

We are currently the only affordable home builder and no-cost critical home repair provider in the Greater Matthews community. We rely on contributions from individuals, corporations, foundations, and grants in order to provide our services. As an event sponsor for our Building Hope Community Breakfast, you will not only be making an investment in the future of affordable housing right here in our community, but will also be aligning your business or organization with a strong, recognized non-profit brand.

Depending on your sponsorship level, your business will be showcased on all our marketing materials, placement on our website, and on the event signage. See attached form for details.

Please respond by September 28th in order to receive optimal entitlements and ensure your inclusion in our promotional materials.

Please contact Sarah Galligan, Director of Development with any additional questions at sarah@habitatmatthews.org or 704.847.422 ext. 111.
